GENERAL PARADE GUIDELINES

Entries must observe all applicable rules and regulations and follow all instructions from police and parade officials or be restricted from the parade. The Parade Committee reserves the right to remove any entrant from the parade, either prior to assembly, at assembly or at any time during the parade if the entrant fails to meet Parade Rules or does not follow the standards of reasonable public taste.

The Parade Committee will have final authority over positioning of entries in the parade and the pace and movement of the parade in progress. Only forward movement by motorized vehicles is permitted. Parade officials assume no liability for any damage to floats, vehicles or for any injuries due to negligence of parade entrants. A spacing of no less than 15 feet between units will be enforced. All units are required to close the gap between units when ordered by the parade officials.

Parents, or other responsible adults (18 or older), must be at end of the parade route to pick up their children. The ratio of adult chaperones to children will be no less than 1:10 for ages 6-12 or 2:5 for ages 5 and under. These chaperones are included in the 75 person maximum limit per unit.

Nothing (candy, handouts, etc) may be thrown out from parade entries along the line of march.

Entries involving live animals must obtain special written approval from the Parade Committee. Equestrian units must provide certification of "Coggins Testing" and must wear diapers. Any entries involving live animals will be subject to review by the Parade Committee and the Greenville Humane Society.

All entrants must provide proper signs for their unit. Banners and signs should be neat and easily recognized. Six to eight inch lettering is recommended. Basic, simple signs show best.

Entry number(s) and check-in information will be mailed or emailed prior to Parade.
