

Dear Clan Parade Participant,

We are excited that you will be participating in our 2010 Great Scot! Parade in downtown Greenville, South Carolina. Please find some logistical information below. If you have any questions prior to the event please email me at gvlguys@yahoo.com.

Date: Friday, May 28th

Parade Start Time: The parade will begin promptly at 6:00 p.m.

Check-In and Parade Lineup: Walking units should begin to arrive for check-in around 4:45 p.m. Check-in will be located on Townes St between Elford and Park St. (see map below) One representative for each clan is asked to check in. All participants should be in line no later than 5:30 p.m. We will advance from the staging area to the start line at 5:45 p.m. sharp!

Parade Logistics:

- **Please see attached form for your parade line number.**
Please share this with everyone in your group that will be in the parade.
- Please continue to move through out the parade and do not let a large gap come between you and the parade group in front of you.
- Please have all participants march through the Broad St intersection and past our "end of parade" volunteers before disbanding. At that time we ask walking units to move onto the sidewalks so that floats and cars can drive down this street.

Clan parking: You will be parking across from First Presbyterian Church, 200 W Washington St., Greenville, SC 29601.
